ABOUT US

"If it isn't the best, then what's the point?"

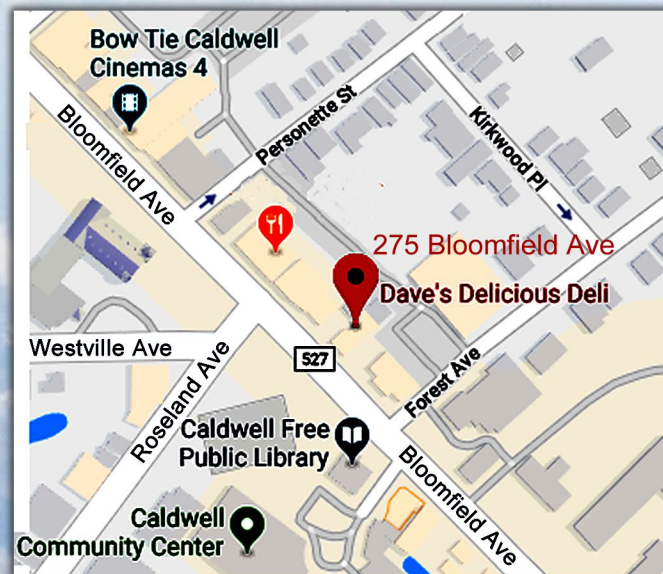

That's my personal policy. I grew up in Caldwell and have been coming to this storefront for decades. I even brought my wife Jackie here on our first date!

DAVE & JACKIE

The last owner, Nicco, made my favorite sandwich in the whole world. So when he retired summer of 2015, I committed to taking the place over and making it my own.

Everything on this menu is taste tested to perfection. What's our secret recipe? Simple: we only use the best ingredients, fresh like I would make for my own family!

Conveniently located in the heart of Caldwell!
